THE WEEKLY DIGEST

Section TWO

Vol. 63, No. 13

## INDEX TO VOLUME 62

### JULY THROUGH DECEMBER 1971

ITEMS in QUOTE are arranged alphabetically according to subject matter, in the semi-annual index, the first numeral in each reference indicates the page, therefore "ACHIEVEMENT—147;" tells you that an item on Achievement will be found on page 147.

One or more letters following a page number, refer to material in regular departments. For example: "MOON, Rocks—70-LA;" indicates that an item on that subject is in Light Armour on page 70. The reference to "ANTIQUES—286-u;" means that an item on that subject will be found in the regular Good Stories section on page 286 under index letter u.

Quotations in the section May We QUOTE You On That? are also numbered and a reference such as "ARMED FORCES—25-8Q;" refers to a quotation on that subject on page 25 in the May We QUOTE . . . Section. When the letter "t" follows the Q as in the reference "ACTORS—336-1Q-t;" it indicates the special Quote-ettes feature on page 336.
